2025 Global ICT Standards Conference

“ICT Standards and Intellectual Property : AI for All”

November 3-5, 2025

EL Tower - Grace Hall(6F), Seoul (Yangjae)

1. Conference Information

1-1. Invitation

The 9th Global ICT Standards Conference (GISC) 2025 is Korea's largest and most representative international conference in the field of ICT standardization and intellectual property, including Standards Essential Patents (SEPs). Since its inception in 2017, the event has established itself as a premier forum for addressing global trends, directions, and strategies for ICT standards and SEPs, while discussing the future of next-generation ICT technologies and their standardization.

Under the theme "AI for All", GISC 2025 will convene global ICT standardization experts, industry leaders, academia, and research institutions to share the latest knowledge and insights. This year's conference will focus on key standardization issues in Critical and Emerging Technologies such as AI, 6G, and quantum technologies, serving as a vital platform for international cooperation.

Global enterprises, international standards bodies, and policy institutions will come together to explore interoperability, trust, and the convergence of standards and intellectual property, presenting a vision for the digital society of the future.

Through GISC 2025, we aim to foster inclusive growth and global collaboration through ICT standards, delivering participants the most up-to-date knowledge and valuable insights for shaping the future digital order.

In this context, we are pleased to extend our warm invitation to you to attend GISC 2025. As we strive for progress and transformation through the new digital order, we kindly request your valuable insights on securing the competitiveness of Korea's ICT standards and patents.

Thank you for your consideration, and we sincerely look forward to your participation.

Sincerely

1-2. Conference Overview

2025 Global ICT Standards Conference	
Date	November 03 (Mon) - 5 (Wed), 2025
Venue	EL Tower – Grace Hall (6 th Floor) , Seoul (Yangjae)
Host	Ministry of Science and ICT, Ministry of Intellectual Property
Organizer	National Radio Research Agency(RRA), Telecommunications Technology Association (TTA), Institute of Information and Communications Technology Planning and Evaluation(IITP), Korea Electronics Association(KEA), Korea Intellectual Property Strategy Agency(KISTA), Electronics and Telecommunications Research Institute(ETRI),
Purpose	Address global trends, direction and strategy for standardization and Standards Essential Patent(SEP)

1-3. Program

Date	Track 1		Track 2
Day 1 (Mon, 3 rd Nov)	<u>Opening Ceremony</u>		
	- Keynote speech · Jan Ellsberger / Director General of ETSI · Neil Trevett / President of Khronos Group, NVIDIA VP of Developer Ecosystems) - Opening & Congratulatory Remarks - Awards Ceremony (Minister's Award for Contribution to standardization activities, etc.		
	Brown Bag Meeting (Policy and strategy on Digital Technology Standards) (TBD, Closed)		
Day 2 (Tue, 4 th Nov)	Seminar 1 - Standardization Strategy (Physical AI)		ICT Patent Management Award -Presentation from Award winning companies
			Best Practices - ICT Standards R&D
	Seminar 2 - Standardization Strategy (Quantum) Seminar 3 – Standardization Strategy (6G) Seminar 4 - Standardization Capability		Seminar - ICT SEP (Standards Essential Patents) Strategy Seminar - ICT Standardization Trends Seminar – AI Ethics & Safety / Trustworthiness Ecosystem Seminar – Citibus Convergence Standards Framework
Day 3 (Wed, 5 th Nov)	CJK(China-Japan-Korea) IT Standards Meeting (Closed)	EU-Korea Standardization Strategy Workshop (Closed)	Seminar - ICT Standardization Trends (de facto) Seminar – Best Practices on Standardization Consultation & Standardization Expert Activities

2. Important Documents

2-1. Deadlines

(1) Speaker Registration Form (Attachment 1)	By Oct. 13 (MON)
(2) Consent for the Use of Personal Information (Attachment 2)	
(3) Speaker and Panelist Confirmation Form (Attachment 3)	
(4) GISC 2025 template presentation material (16:9 ratio, to be submitted with PDF file), If the presentation is not live, request submission of a recording of the presentation(MP4 file)	By Oct. 17 (FRI)

2-2. Documents Submission and use

- Please submit the requested forms and materials to the secretariat via email by the specified deadline.
(gisc.tta@gmail.com)
- The presentation materials you provide will be distributed online.
- The presentation materials submitted will be used for the Conference program booklet to be handed out at the conference venue.

3. Contact

- Global ICT Standards Conference 2025 Secretariat
 - E-mail: gisc.tta@gmail.com
 - Tel: +82-2-6342-8802
 - TTA Staff: +82-10-5111-1086

Attachment 1 GISC 2025 Speaker Registration Form

Personal Information of an Applicant

Name	Ivana Mijatovic	Photo * Please also submit the photo as a separate attachment (with your name as the file name).
Position	Full Professor	
Affiliation	Univeristy of Belgrade, Faculty of Organizational Sciences	
E-mail	ivana.mijatovic@fon.bg.ac.rs	
Mobile Phone Number	+381698893473	

Biography

Ivana Mijatović is a Full Professor at the Faculty of Organizational Sciences, University of Belgrade (UBFON). She is a passionate educator in the field of standardization, teaching at the bachelor's, master's, and PhD levels. At UBFON, she has developed an innovative Standardization course that incorporates active learning methods and gamification elements.

Professor Mijatović leads the UB FOS team in several international projects, including the Horizon Europe initiatives HSbooster.eu (Standardisation Booster for H2020 & HE research results), Edu4Standards.EU (Education for Standardisation in the EU), and IAM4RE.eu (Intellectual Asset Management For Research And Entrepreneurship).

From 2012 to 2023, she served as Vice President of the Board of the European Academy for Standardization (EURAS). In 2018/2019, she was President of the International Cooperation in Education about Standardization Committee (ICES).

She is a member of national mirror committee in relation with ISO/IEC JTC 1/SC 7; CEN/TC 353; CEN/TC 365, ISO/IEC JTC 1/SC 36 and ISO/IEC JTC 1/SC 40 IT. Her current academic work addresses the question of standardization, education about standardization, teaching quality and quality aspects of technology enhanced learning.

A list of her publications is available at: https://www.researchgate.net/profile/Ivana_Mijatović

Presentation Content (speakers only)

Title:* Insights from the HSbooster.eu Training Academy

Summary This presentation introduces the HSbooster.eu Standardisation Training Academy, one of the key outcomes of the Horizon Europe project HSbooster.eu. The

HSbooster.eu Training Academy was established to bring standardisation closer to researchers engaged in EU-funded projects and to strengthen the educational dimension of standardisation in line with the Code of practice on standardisation in the European Research Area (https://research-and-innovation.ec.europa.eu/research-area/industrial-research-and-innovation/eu-valorisation-policy/knowledge-valorisation-platform/guiding-principles-knowledge-valorisation-and-implementing-codes-practice/code-practice-standardisation-european-research-area_en). The HSbooster.eu Training Academy provides an accessible and efficient platform for training aimed at enhancing knowledge, expertise, and skills in the field of standardisation.

The **HSbooster.eu** Training Academy also serves as a hub for collaboration, fostering a vibrant network of professionals, researchers, and standardisation experts. All materials developed through the HSbooster.eu project are freely available on the project's website, ensuring open access to valuable learning resources. Since its launch, the Academy has significantly expanded its services. It now offers **24 training courses** across **six levels** (from beginner to advanced), **11 interactive training sessions**, and the innovative **"Serious Smiley Game"**—a gamified learning experience designed to make standardisation more engaging. Through these initiatives, the HSbooster.eu Training Academy is promoting accessible, high-quality standardisation education and contributing to the development of a more standardisation-aware research and innovation community.

Please fill out this section with your presentation summary (5 lines and less)

The summary you give here will be included in the GISC 2025 booklet.

Attachment 2 Consent for the Use of Personal Information

The Telecommunications Technology Association (TTA) intends to collect and use the following personal information to receive and process your registration to participate in the "Global ICT Standards Conference 2025." Please review the details and decide whether you consent to the collection and use of your personal information.

☐ **Collection and Use of personal Information**

Information subject to collection	Name, position, affiliation, photo, biography
and use Purpose of collection and use	Event website, online publication, sending invitations, providing event information, verifying identity
Duration of personal information retention and use	- Name, position, affiliation, photo, biography: retained for 1 year after the event
Right to refuse consent and disadvantages of refusal	You have the right to refuse the collection and use of your personal information, but please be aware that, in this case, your participation in the event of GISC 2025 may not be possible.

► **Do you agree to the collection and use of your personal information as described above?**

Yes ☒

No ☐

☐ **Notice of Other Information**

Pursuant to Article 26 of the Personal Information Protection Act, we subcontract the handling of personal information as follows:

- Personal Information Collection and Use: Telecommunications Technology Association (Host Organization), 1 year
- Personal Information Management Outsourcing: KI Media Co., Ltd. (contractor), contract period
- Outsourced Tasks: Event operation, sending invitations and newsletters, collection and management of presentation materials, etc.
- Personal information items subject to outsourcing: Name, affiliation, e-mail

10.30 . 2025

Name: Ivana Mijatovic
